Introductory Message

For the facilitator:

Welcome to the Technical Vocational Livelihood Education ICT Grade 12 CSS NC II Module on Set Up User Access: **Mastering Virtual Machine Installation**

This module was collaboratively designed, developed and reviewed by educators from Schools Division Office of Pasig City headed by its Officer-In-Charge Schools Division Superintendent, Ma. Evalou Concepcion A. Agustin in partnership with the Local Government of Pasig through its Mayor, Honorable Victor Ma. Regis N. Sotto. The writers utilized the standards set by the K to 12 Curriculum using the Most Essential Learning Competencies (MELC) while overcoming their personal, social, and economic constraints in schooling.

This learning material hopes to engage the learners into guided and independent learning activities at their own pace and time. Further, this also aims to help learners acquire the needed 21st century skills especially the 5 Cs namely: Communication, Collaboration, Creativity, Critical Thinking and Character while taking into consideration their needs and circumstances.

In addition to the material in the main text, you will also see this box in the body of the module:

Notes to the Teacher

This contains helpful tips or strategies that will help you in guiding the learners.

As a facilitator you are expected to orient the learners on how to use this module. You also need to keep track of the learners' progress while allowing them to manage their own learning. Moreover, you are expected to encourage and assist the learners as they do the tasks included in the module.

For the learner:

Welcome to the Technical Vocational Livelihood Education ICT Grade 12 CSS NC II Module on Set Up User Access: **Mastering Virtual Machine Installation**

The hand is one of the most symbolized part of the human body. It is often used to depict skill, action and purpose. Through our hands we may learn, create and accomplish. Hence, the hand in this learning resource signifies that you as a learner is capable and empowered to successfully achieve the relevant competencies and skills at your own pace and time. Your academic success lies in your own hands!

This module was designed to provide you with fun and meaningful opportunities for guided and independent learning at your own pace and time. You will be enabled to process the contents of the learning material while being an active learner.

This module aims to provide the mastery of installing and configuring Virtual Machine in preparation for the Second Quarter:

Pre-installation :

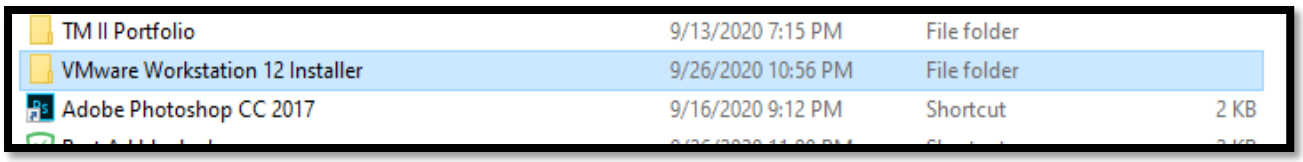
Prepare your VMware installer -VMware Workstation 12 and in the included serial number inside the crack folder (trial version for educational purpose only). Ask your teacher about it.

Note: Depending on your machine, some pc's need to configure the BIOS setup by enabling Virtual Technology under CPU Configuration.

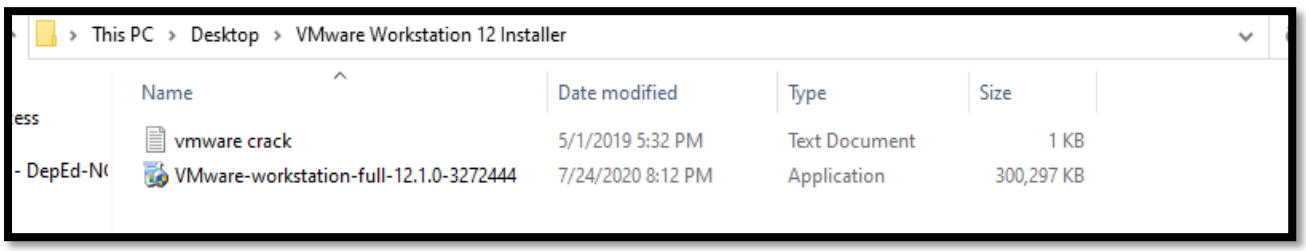
Again, going back to Module 4 on how to install VMWare Workstation 12 :

A. HOW TO INSTALL VMware Workstation 12.

1. Find your VMWare installer and install the software.

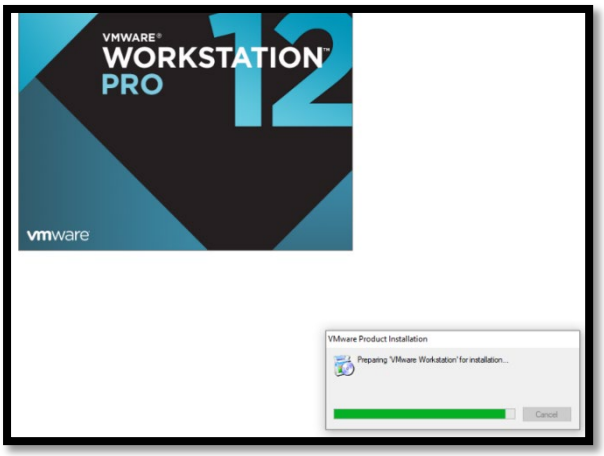


In this case, the installer is located on the desktop



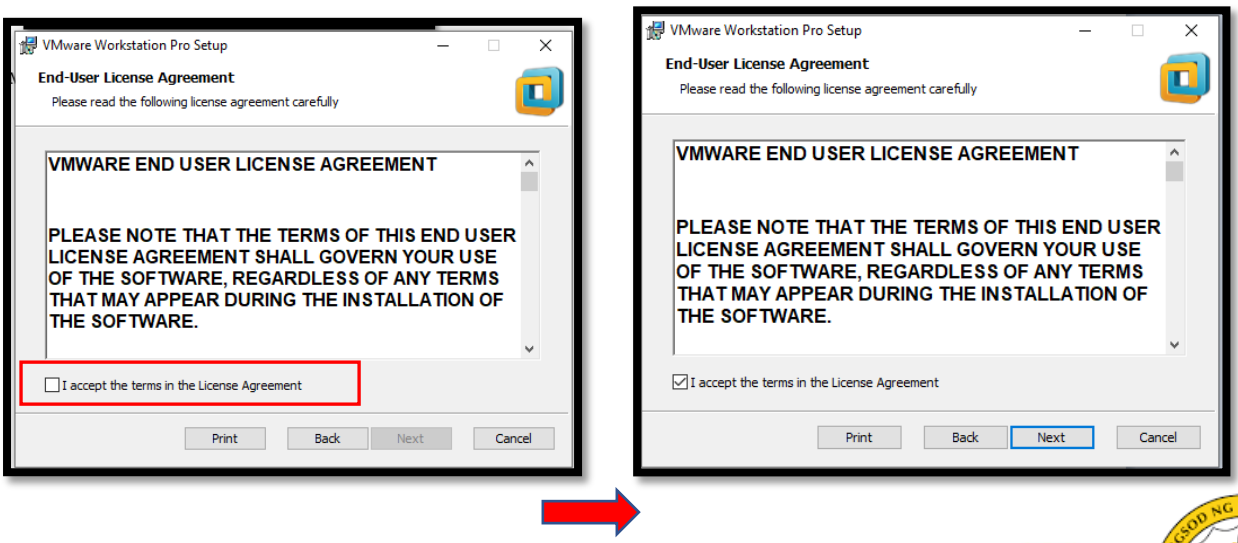
Open the folder and run VMware -workstation -full-12.1.0.3272444

2. If you happen to see the VMware installation Launcher, click YES to continue the installation ….

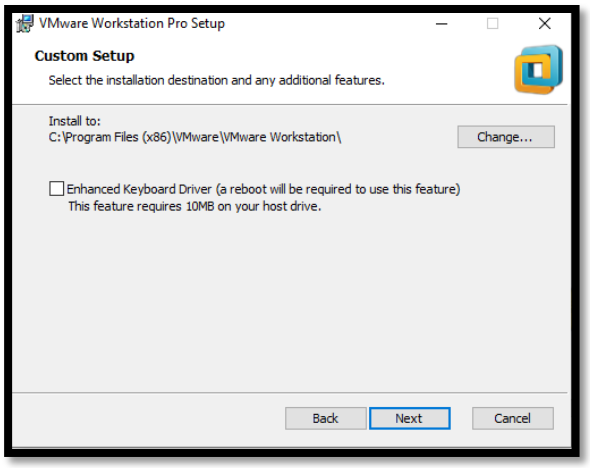


3. A VMWare Workstation Pro Setup Wizard will appear….click next…

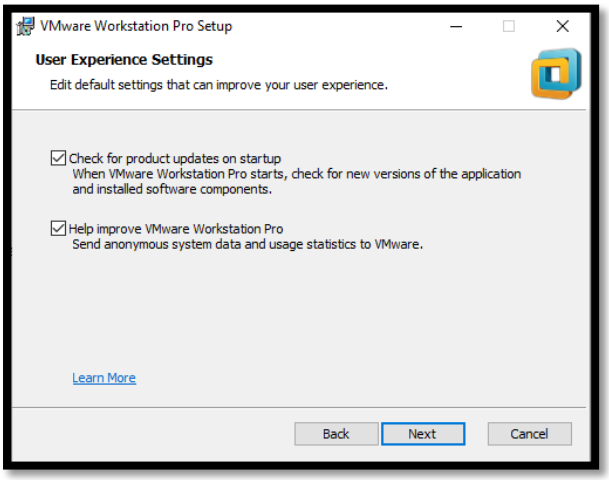
4. Accept the license agreement by ticking the accept checkbox and click NEXT …

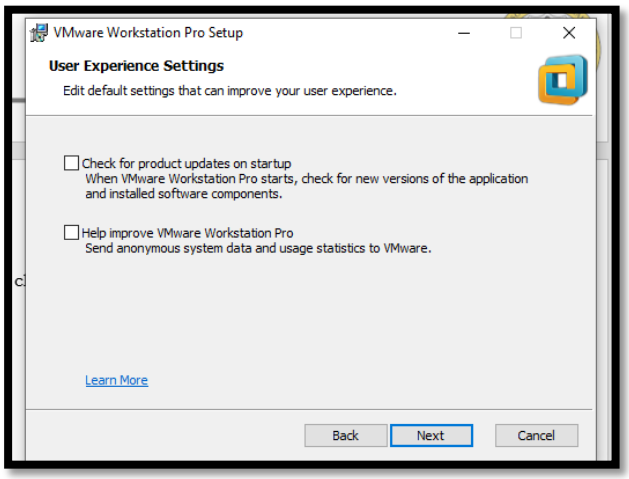


5. At the Custom Setup, click NEXT

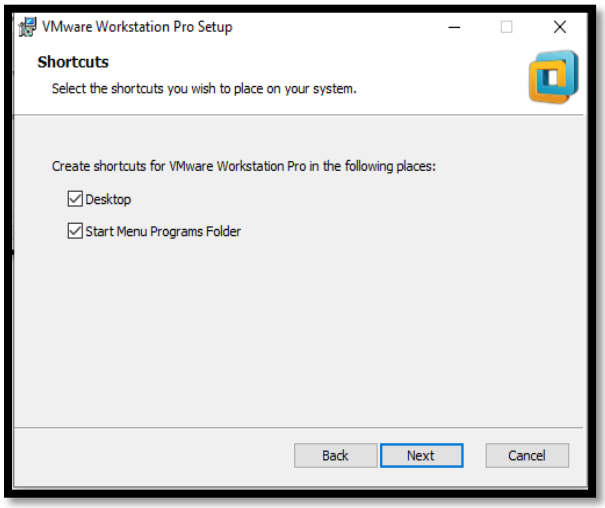


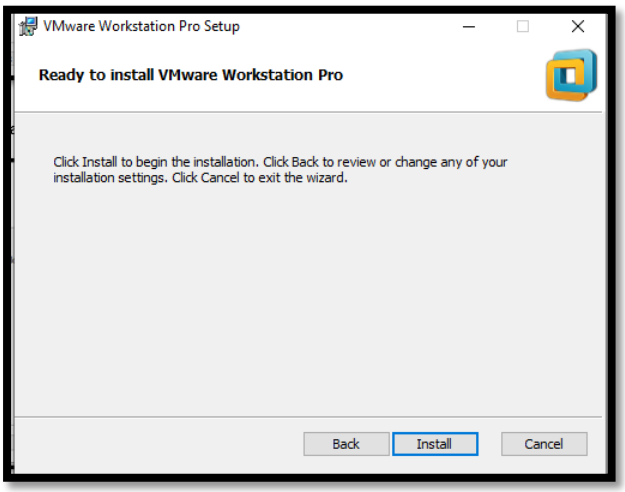
6. Since this is a TRIAL Version, uncheck the checkboxes as shown below.. then click NEXT….



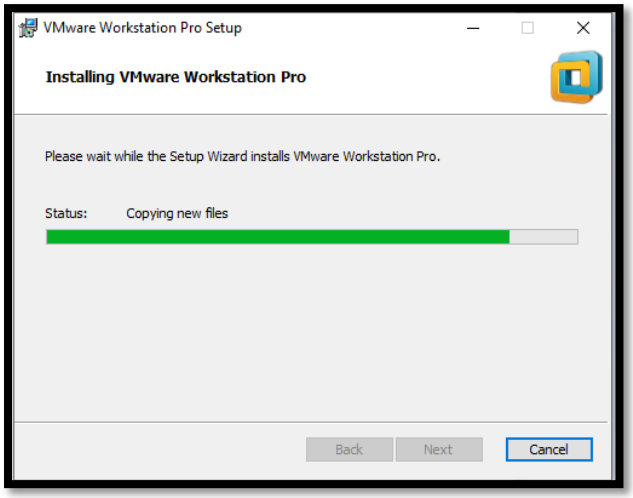


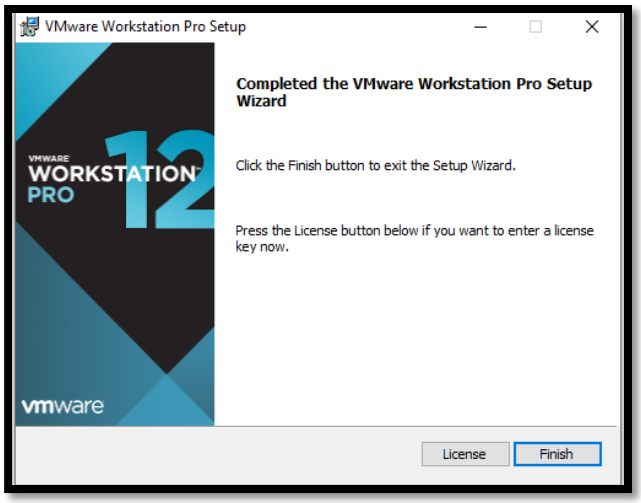
7. Let the shortcuts be created …click NEXT and INSTALL



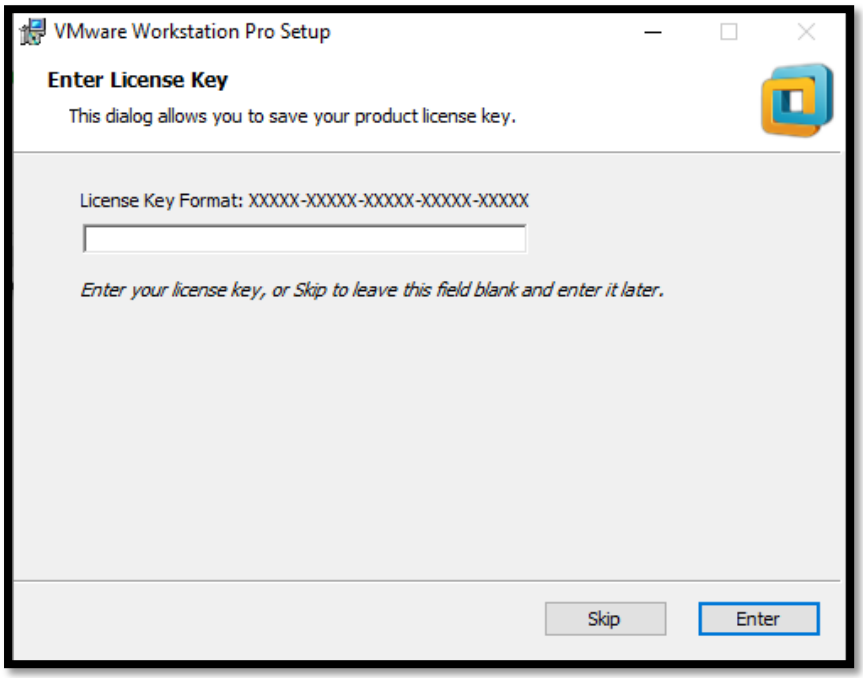


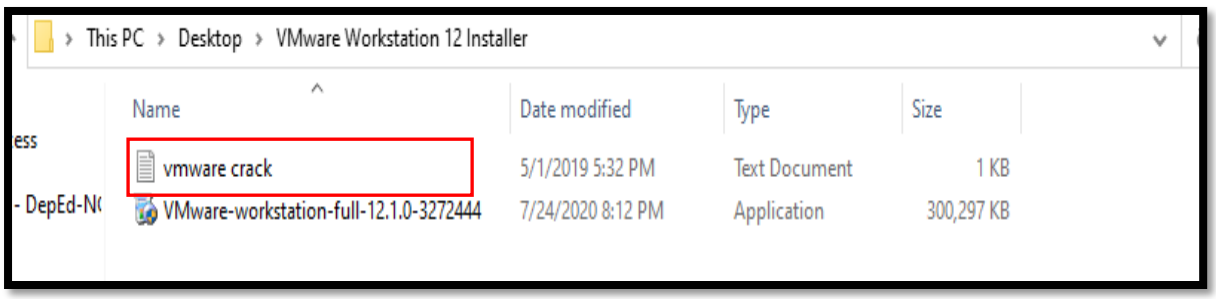
8. Wait until installation is finished. Click LICENSE to run the TRIAL VERSION



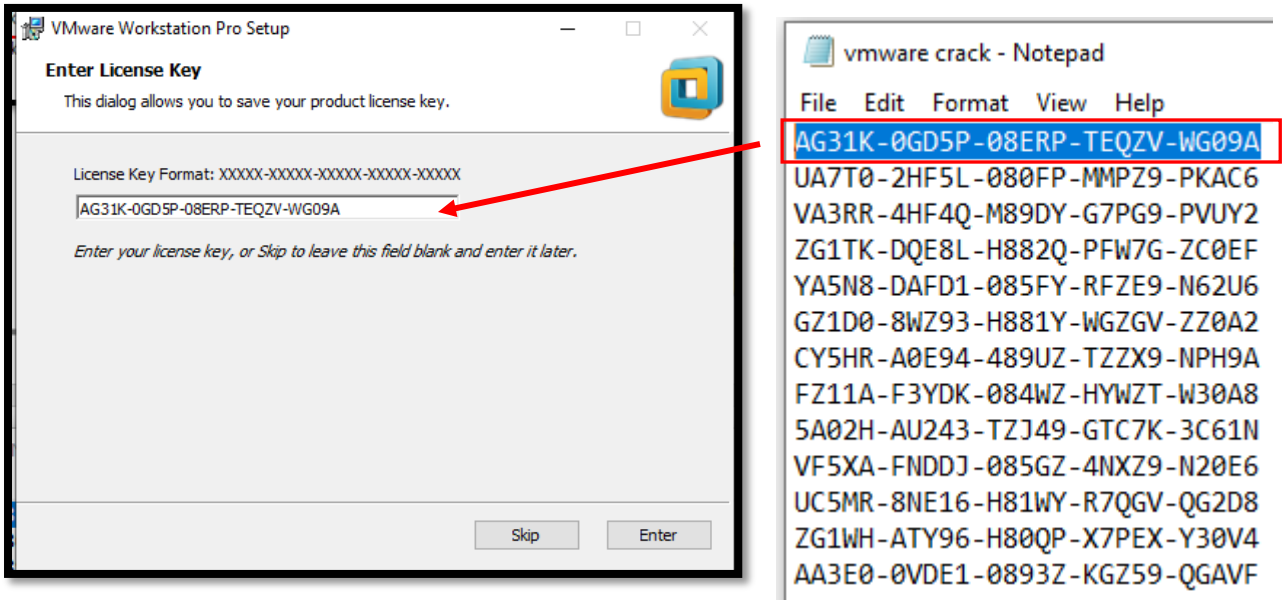


9. Enter the license key. License key is located at the crack folder of your installer.



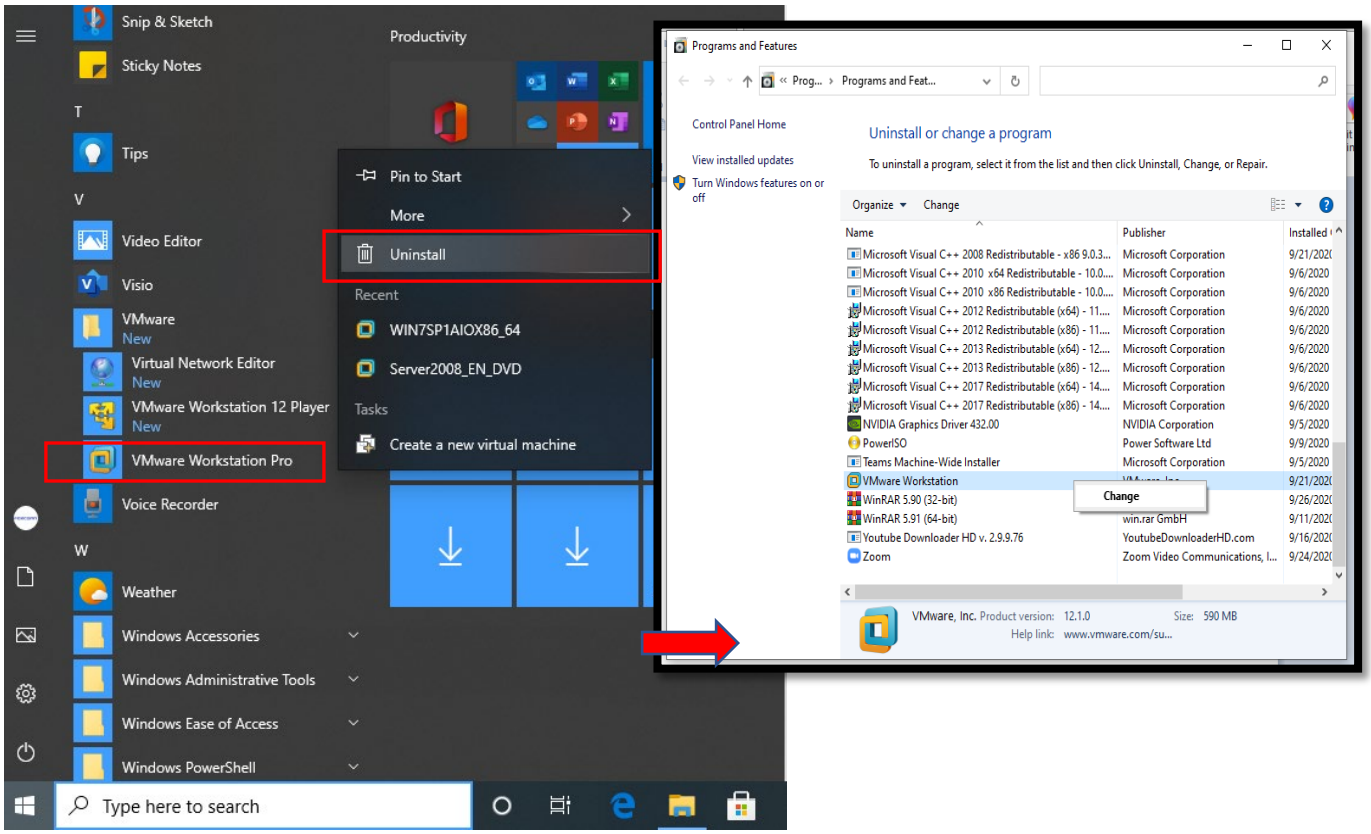


10. You may copy the license key by selecting the key and press CTRL+V to paste on to its field. Then press ENTER. Click FINISH.

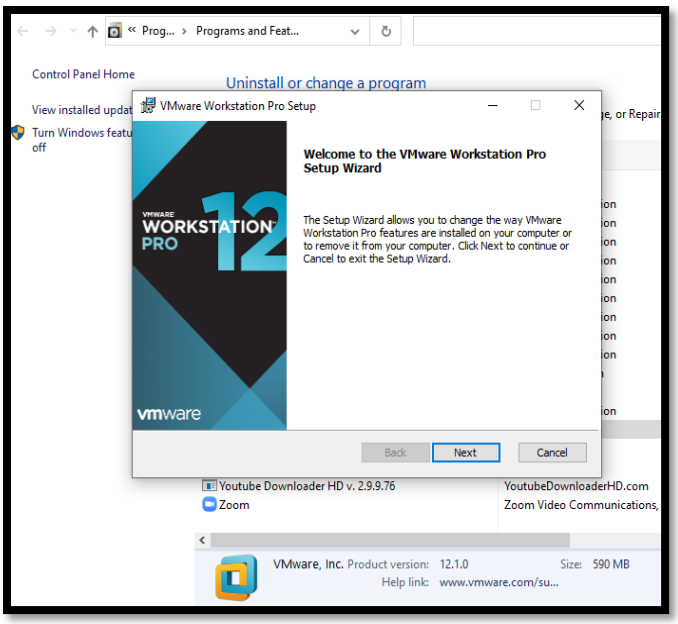


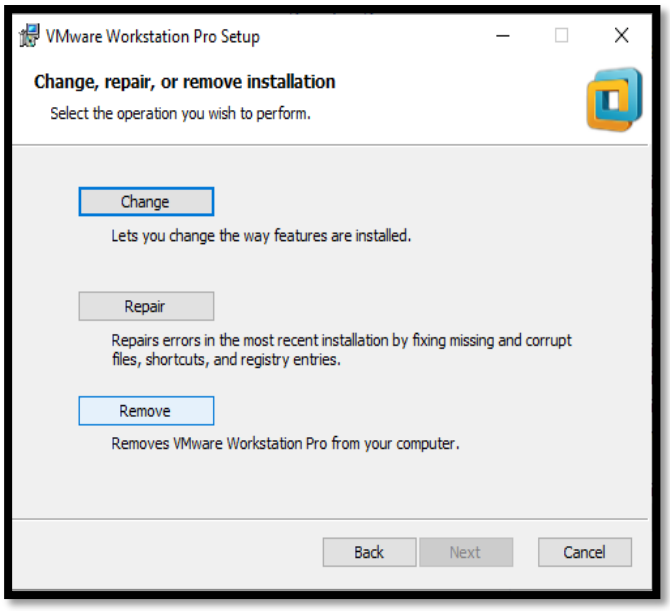
HOW TO UNINSTALL THE VMware Workstation 12

1. Click the start button. Find select the VMware Workstation 12 from the menu and click UNINSTALL. Click CHANGE from the program.

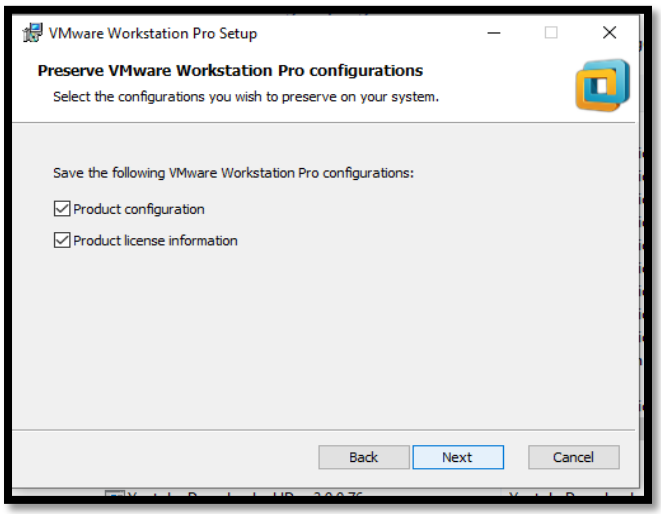


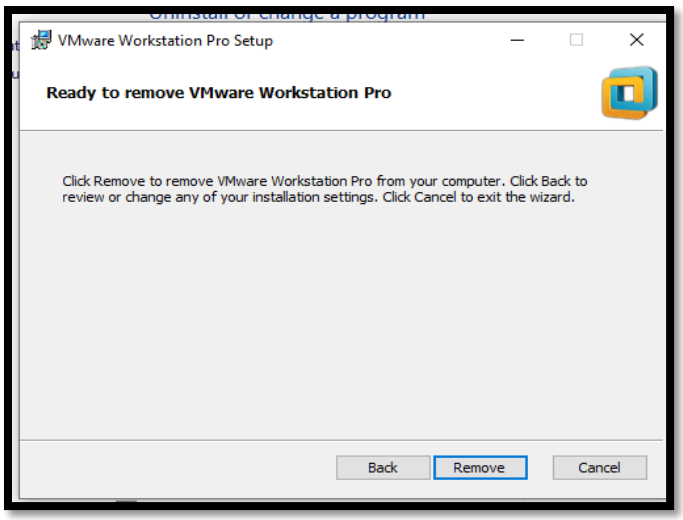
2. Click NEXT…then click REMOVE.



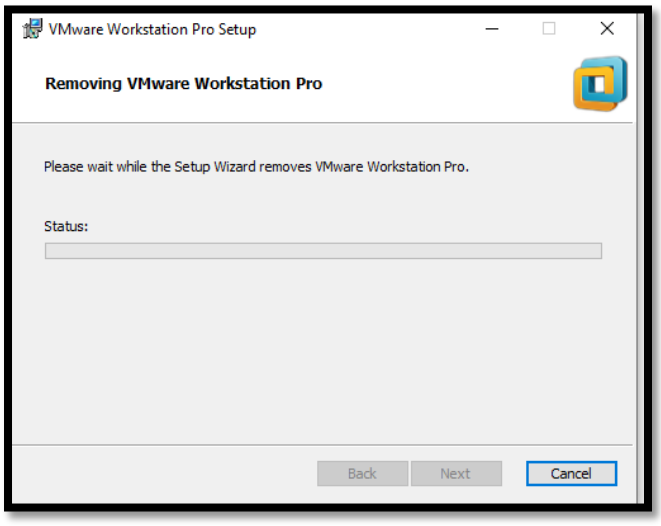


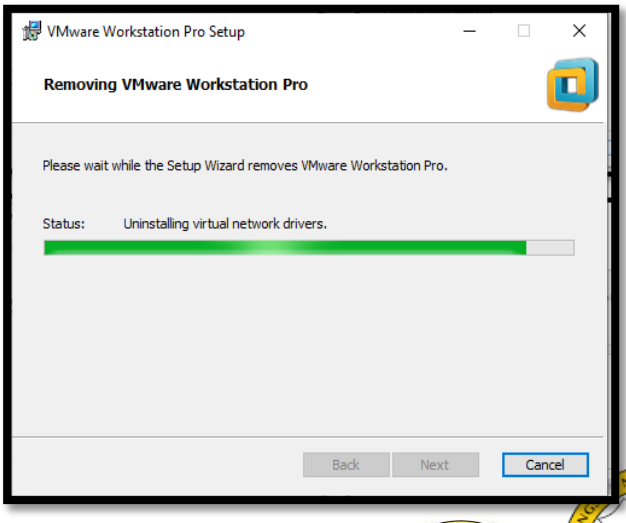
3. Leave the checkboxes, click NEXT, then click REMOVE





4. Let the process continue…then click FINISH.





You may repeat the process of installation and uninstallation of the software for your mastery. If you think you have master enough both processes, you may now start answering this Self-Assessment Guide (SAG) honestly.

Goodluck and congratulations!

Activity

Mastering VMware Installation and Uninstallation Process

Directions. Read and understand the following questions. Put a check to each item that corresponds to your answer. Answer each item honestly. Do this to your digitized worksheet provided to this activity.

CAN I	**YES**	**NO**
1. Run the installation setup easily?		
2. Perform the process of installing VMware looking at my notes?		
3. Copy and paste the serial number from the crack folder?		
4. Browse the VMware from the menu and start uninstallation process?		
5. Finish the uninstallation of VMware from my device?
